Information has been received from a very reliable source to the effect that one Fritz Whitsack, a German/Eurasian, owner of the East Asia Trading Company, with offices at Hamilton House, Suit 331, is a secret agent in the employ of the 2nd. Department of the Headquarters of the Intelligence Service of the Japanese Army in Central China.

Fritz Whitsack is about 40 years of age and an old resident of Shanghai and was formerly engaged in arms smuggling. He was at one time connected with a certain Hickhoff, a well-known German arms smuggler.
